USER'S GUIDE TO THE SUBJECT INDEX

1. **Legislative studies:** Studies by legislative committees are entered under *Legislative Affairs: Committee Studies*, and under a subject entry as well.
2. **Non-legislative studies:** Studies by non-legislative entities are entered in a subject section, but not under the agency conducting the study.
3. **Departmental entries:** Only bills directly affecting the organization and management of a department appear under the department/office entry. All programs and other responsibilities of departments are located under their subject heading(s).
4. **Parish/municipal topics:** Most bills dealing with parishes and municipalities are entered under a specific subject heading, but are not entered under *Parishes* or *Municipalities*.
5. **Retirement systems:** Bills about the various retirement systems are only entered under *Retirement*. For example, bills dealing with firefighters' retirement will not appear under *Fire Protection & Officers*.
6. **Appropriations:** Bills that actually make an appropriation will only appear under the *Appropriations* heading.
7. **Special Districts & Authorities** bills usually have only one entry. When a new board or commission is created in a special district/authority, a Boards & Commissions entry is added.
8. **Judgments against the state and wrongful conviction compensation** bills are often amended into other bills at enrollment. Follow the cross references to find the final disposition of these bills.
